Full Research Papers
Submission Guidelines for Full Research Papers
Submitted papers must be **original, unpublished, and not submitted to another** conference or journal for consideration.

- Papers must be written in English. Submissions should be at most **14 pages** long including references and appendices. Accepted papers will be presented at the conference and included in the conference proceedings published in the IFIP Advances in Information and Communication Technology (AICT) series by Springer Science and Business Media
- Submissions should **not be anonymized**.
- Program Committee members are not required to read the appendices, so the paper should be intelligible without them.
- The papers have to be submitted via Easychair conference system. The submission Web page for SEC 2019 is https://easychair.org/conferences/?conf=ifipsec2019
- The authors have to follow the **Springer LNCS formatting instructions**. See instructions for Word and LaTeX2e templates at:
  http://www.springer.com/gp/computer-science/lncs/conference-proceedings-guidelines
- Each paper will receive at least 3 reviews.
- After the conference, extended versions of selected papers will be considered for publication in the journal Computers & Security. Those papers will undergo at least one other review round.
- At least **one author of each accepted paper must register** to the conference by the early date indicated

by the organizers, and present the paper.

Important dates for Full Research Papers
- Submission due: December 15, 2018 (11:59pm American Samoa Time)
- Notification of acceptance: February 24, 2019
- Deadline for final (camera-ready) version: March 07, 2019

Research-in-Progress Papers
Submission Guidelines for Research-in-Progress Papers
Research-in-Progress Papers provide a platform for researchers to present research that is new, incomplete, or emergent. Like completed research, submissions will be submitted to a double-blind review. Research in Progress papers will be published on the IFIP SEC web page. Research-in-Progress Papers will be presented at a specific session at the conference. Submitted papers must be **original, unpublished, and not submitted to another** conference or journal for consideration.

- Research-in-progress papers 5 pages long including references and appendices.
- Submissions should **not be anonymized**.
- The papers have to be submitted via Easychair conference system.
- The authors have to follow the **Springer LNCS formatting instructions**. See instructions for Word and LaTeX2e templates at:
